Nissan Forklift

Nissan Motor Co. Ltd prides itself on reaching total client contentment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with resilient processing principals, Nissan Forklifts offer a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to keep up with worldwide lift truck demands. Committed to offering customer support, the business has four separate production facilities that permit them to constantly adapt to their clients continually evolving requirements by offering a range of progressive ideas and designs.

The Nissan Lift truck North and South American center is located in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the cooperation, design and fabrication of their products. Working under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to sustain environmental accountability by using systems that reduce the worldwide effect of their products and processes. These high standards remind clients that Nissan operates under the quality seal that their consumers require while being an environmentally responsive corporation.

Nissan is assured that they will be capable of addressing any client inquiries or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
